This summer, let's **take care** to read **books** with our families.

These developmentally appropriate book selections are highly recommended by librarians, educators, and professional reviewers because they offer appealing illustrated stories, entertaining easy readers, and fun-from-the-start chapter books for emerging readers as they discover the joys of reading on their own.

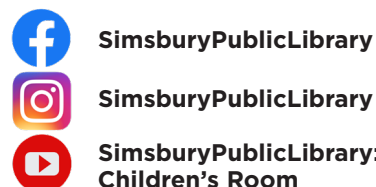

When Simsbury readers of all ages take care to read books and participate in our 2020 Summer Reading program, we are making community connections by sharing stories, information, and finding joy when we read during tough times and hopeful ones.
