Your House, My House
by Marianne Dubac

E HOME DUBAC

Reading reconnects us. That's why your family's summer reading experience is even more meaningful this year.

These developmentally appropriate book selections are highly recommended by librarians, educators, and professional reviewers because they offer engaging rhymes, appealing illustrations, and entertaining stories that are ideal for pre-literacy activities with very young children.

When Simsbury readers of all ages participate in our **2021 Summer Reading program**, we can share the stories and information we find within books and discover how reading helps us all reconnect to each other.

**Reading
Reconnects Us**
