Summer Reading is for Everyone.

Welcome to our Summer Reading Program, full of special family events and wonderful summer reads.

These developmentally appropriate book selections are highly recommended by librarians, educators, and professional reviewers because they offer appealing illustrated stories, entertaining easy readers, and fun-from-the-start chapter books for emerging readers as they discover the joys of reading on their own.

When Simsbury readers of all ages, backgrounds, abilities, and experiences participate in our **2023 Summer Reading Program**, we are reminded that reading books in the summer is something **everyone** can enjoy.
