

INNOVATORS' WORKSHOP MAKERSPACE COMING SOON

MAKER CLUB

Springtime brings new energy and new ideas...

Coming soon, we will introduce a Maker Club, where each month we will focus on a different piece of equipment in the makerspace and have Library staff demonstrate a project.

You'll be able to ask questions and gain knowledge about the equipment and the project and get some hands-on experience.

MAKERSPACE KITS

We will be introducing creative kits for our makerspace!

Some will be hand crafts that you can make in the makerspace or take home to craft. Other kits will give you step-by-step guidance to create a project using the equipment. For these projects, we'll have staff on-hand to troubleshoot and answer your questions.

Stay tuned for more details about both of these maker endeavors!

Sew a Pillow with Alexa! | 6:30 - 8:00PM

The **Friends of the Simsbury Public Library** play a vital role in supporting the library as a wonderful cultural resource for the community by aiding in the cost of materials, equipment, and countless activities and services. When you see this **F symbol** on programs and services, it means the Friends were an integral part of making these things happen!
